Cross Country & Football Team

Hello Texas FFA members,

Welcome everyone to the first ever virtual Texas FFA Convention. My name is Kirby Russell, and I am a graduated senior from Bridgeport High School. I'm so excited to be representing the Area IV Association as a candidate for State Office. I have been in the FFA for four years now and have definitely loved it to the core. I have made so many awesome friends across the state through this great organization and really learned who I am and what direction I want to go in my life. I want to encourage and challenge every one of you to take advantage of the opportunities that come your way in the FFA. Though I won't always wear this corduroy jacket, it will always be a part of me forever. Even if the FFA doesn't alter your life into a new direction as it did for me, I'm betting that if you take advantage of any of these opportunities that it will at a minimum give you some skills that will be of life changing value. I'm hoping to give back still more to the organization that's shaped my life, and I have energy that I haven't even begun to tap.

Kirby Russell

Area IV State President Candidate
