Hello Texas FFA!

Although state convention looks vastly different this year, I am so grateful to be able to share this experience with each and every one of you!

Some of FFA’s greatest moments came when individuals capitalized on their situation. Though our circumstances may be different, difficult, or even *awkward*, I challenge you all to make the most out of this virtual experience.

This year’s convention theme is **STRIVE**. FFA positively impacts our lives by pushing us to be the best servant leaders we can become. Texas FFA, I encourage you to **STRIVE** to unlock your potential to serve others and the world around you.

Like so many of us, I was that *awkward* Freshman in my Principles of Ag class, unsure of what this organization would ultimately mean to me, but it was through other members seeing the potential in me that I became the person I am today. Texas FFA, as your state officer, I promise to see your potential and help you utilize it to learn and grow. I hope you see that same potential in me and give me the opportunity to serve as your next state officer!

With gratitude,

Ryan Williamson
