Texas Bank and Trust Student Board Secretary

Texas FFA,

Welcome to the 92 Annual Texas FFA Convention! It is an honor to be apart of this experience with you. During this convention, I hope you find true community and friendship with those around even at home. We have been given the opportunity to look at this experience in a positive light, for each member across the state now has the ability to be a part of one of the greatest moments of being an FFA member. Here recently, we have been stretched to seek new opportunities to serve, like simply loving the people in front of you. My purpose this upcoming year is to move towards the wallflowers, the misfits, and the shy leaders and remind them that within this organization, they have a voice, a home, and a family. I believe that we each have a purpose. A purpose to serve, love, and dream. When each of us strive to reach that purpose, we can see our wildest dreams come to reality. I cannot wait to embark on this journey with each of you.

- Bella Yoder
Area VI State President Candidate

“God chooses people based on their willingness to serve obediently, not based on their ability to perform perfectly.”

- Christian Bosse
